This is a digital copy of a book that was preserved for generations on library shelves before it was carefully scanned by Google as part of a project to make the world's books discoverable online.

It has survived long enough for the copyright to expire and the book to enter the public domain. A public domain book is one that was never subject to copyright or whose legal copyright term has expired. Whether a book is in the public domain may vary country to country. Public domain books are our gateways to the past, representing a wealth of history, culture and knowledge that's often difficult to discover.

Marks, notations and other marginalia present in the original volume will appear in this file - a reminder of this book's long journey from the publisher to a library and finally to you.

Usage guidelines

Google is proud to partner with libraries to digitize public domain materials and make them widely accessible. Public domain books belong to the public and we are merely their custodians. Nevertheless, this work is expensive, so in order to keep providing this resource, we have taken steps to prevent abuse by commercial parties, including placing technical restrictions on automated querying.

We also ask that you:

+ *Make non-commercial use of the files* We designed Google Book Search for use by individuals, and we request that you use these files for personal, non-commercial purposes.

+ *Refrain from automated querying* Do not send automated queries of any sort to Google's system: If you are conducting research on machine translation, optical character recognition or other areas where access to a large amount of text is helpful, please contact us. We encourage the use of public domain materials for these purposes and may be able to help.

+ *Maintain attribution* The Google "watermark" you see on each file is essential for informing people about this project and helping them find additional materials through Google Book Search. Please do not remove it.

+ *Keep it legal* Whatever your use, remember that you are responsible for ensuring that what you are doing is legal. Do not assume that just because we believe a book is in the public domain for users in the United States, that the work is also in the public domain for users in other countries. Whether a book is still in copyright varies from country to country, and we can't offer guidance on whether any specific use of any specific book is allowed. Please do not assume that a book's appearance in Google Book Search means it can be used in any manner anywhere in the world. Copyright infringement liability can be quite severe.

That whenever the President of the United States, by and with the advice and consent of the Senate, with a view to secure reciprocal trade with foreign countries, shall, within the period of two years from and after the passage of this Act, enter into commercial treaty or treaties with any other country or countries concerning the admission into any such country or countries of the goods, wares, and merchandise of the United States and their use and disposition therein, deemed to be for the interests of the United States, and in such treaty or treaties, in consideration of the advantages accruing to the United States therefrom, shall provide for the reduction during a specified period, not exceeding five years, of the duties imposed by this Act, to the extent of not more than twenty per centum thereof, upon such goods, wares, or merchandise as may be designated therein of the country or countries with which such treaty or treaties shall be made as in this section provided for; or shall provide for the transfer during such period from the dutiable list of this Act to the free list thereof of such goods, wares, and merchandise, being the natural products of such foreign country or countries and not of the United States; or shall provide for the retention upon the free list of this Act during a specified period, not exceeding five years, of such goods, wares, and merchandise now included in said free list as may be designated therein; and when any such treaty shall have been duly ratified by the Senate and approved by Congress, and public proclamation made accordingly, then and

thereafter the duties which shall be collected by the United States upon any of the designated goods, wares, and merchandise from the foreign country with which such treaty has been made shall, during the period provided for, be the duties specified and provided for in such treaty, and none other.

SEC. 5. That whenever any country, dependency, or colony shall pay or bestow, directly or indirectly, any bounty or grant upon the exportation of any article or merchandise from such country, dependency, or colony, and such article or merchandise is dutiable under the provisions of this Act, then upon the importation of any such article or merchandise into the United States, whether the same shall be imported directly from the country of production or otherwise, and whether such article or merchandise is imported in the same condition as when exported from the country of production or has been changed in condition by remanufacture or otherwise, there shall be levied and paid, in all such cases, in addition to the duties otherwise imposed by this Act, an additional duty equal to the net amount of such bounty or grant, however the same be paid or bestowed. The net amount of all such bounties or grants shall be from time to time ascertained, determined, and declared by the Secretary of the Treasury, who shall make all needful regulations for the identification of such articles and merchandise and for the assessment and collection of such additional duties.

SEC. 6. That there shall be levied, collected, and paid on the importation of all raw or unmanufactured articles, not enumerated or provided for in this Act, a duty of ten per centum ad valorem, and on all articles manufactured, in whole or in part, not provided for in this Act, a duty of twenty per centum ad valorem.

SEC. 7. That each and every imported article, not enumerated in this Act, which is similar, either in material, quality, texture, or the use to which it may be applied, to any article enumerated in this Act as chargeable with duty, shall pay the same rate of duty which is levied on the enumerated article which it most resembles in any of the particulars before mentioned; and if any nonenumerated article equally resembles two or more enumerated articles on which different rates of duty are chargeable, there shall be levied on such nonenumerated article the same rate of duty as is chargeable on the article which it resembles paying the highest rate of duty; and on articles not enumerated, manufactured of two or more materials, the duty shall be assessed at the highest rate at which the same would be chargeable if composed wholly of the component material thereof of chief value; and the words "component material of chief value," wherever used in this Act, shall be held to mean that component material which shall exceed in value any other single component material of the article; and the value of each component material shall be determined by the ascertained value of such material in its condition as found in the article. If two or more rates of duty shall be applicable to any imported article, it shall pay duty at the highest of such rates.

SEC. 8. That all articles of foreign manufacture, such as are usually or ordinarily marked, stamped, branded, or labeled, and all packages containing such or other imported articles, shall, respectively, be plainly marked, stamped, branded, or labeled in legible English words in a conspicuous place, so as to indicate the country of their origin and the quantity of their contents; and until so marked, stamped, branded, or labeled they shall not be delivered to the importer. Should any article of imported merchandise be marked, stamped, branded, or labeled so as to indicate a quantity, number, or measurement in excess

of the quantity, number, or measurement actually contained in such article, no delivery of the same shall be made to the importer until the mark, stamp, brand, or label, as the case may be, shall be changed so as to conform to the facts of the case.

SEC. 9. That section thirty-three hundred and forty-one of the Revised Statutes of the United States be, and hereby is, amended to read as follows:

"SEC. 3341. The Commissioner of Internal Revenue shall cause to be prepared, for the payment of such tax, suitable stamps denoting the amount of tax required to be paid on the hogsheads, barrels, and halves, thirds, quarters, sixths, and eighths of a barrel of such fermented liquors (and shall also cause to be prepared suitable permits for the purpose hereinafter mentioned), and shall furnish the same to the collectors of internal revenue, who shall each be required to keep on hand at all times a sufficient supply of permits and a supply of stamps equal in amount to two months' sales thereof, if there be any brewery or brewery warehouse in his district; and such stamps shall be sold, and permits granted and delivered by such collectors, only to the brewers of their district, respectively.

"Such collectors shall keep an account of the number of permits delivered and of the number and value of the stamps sold by them to each brewer."

SEC. 10. That section thirty-three hundred and ninety-four of the Revised Statutes of the United States, as amended, be, and the same is hereby, further amended, so as to read as follows:

"Upon cigars which shall be manufactured and sold, or removed for consumption or sale, there shall be assessed and collected the following taxes, to be paid by the manufacturer thereof: On cigars of all descriptions made of tobacco, or any substitute therefor, and weighing more than three pounds per thousand, three dollars per thousand; on cigars, made of tobacco, or any substitute therefor, and weighing not more than three pounds per thousand, one dollar per thousand; on cigarettes, made of tobacco, or any substitute therefor, and weighing more than three pounds per thousand, three dollars per thousand; on cigarettes, made of tobacco, or any substitute therefor, and weighing not more than three pounds per thousand, one dollar per thousand: *Provided*, That all rolls of tobacco, or any substitute therefor, wrapped with tobacco, shall be classed as cigars, and all rolls of tobacco, or any substitute therefor, wrapped in paper or any substance other than tobacco, shall be classed as cigarettes.

"And the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, shall provide dies and adhesive stamps for cigars weighing not more than three pounds per thousand: *Provided*, That such stamps shall be in denominations of ten, twenty, fifty, and one hundred, and the laws and regulations governing the packing and removal for sale of cigarettes, and the affixing and canceling of the stamps on the packages thereof, shall apply to cigars weighing not more than three pounds per thousand.

"None of the packages of smoking tobacco and fine-cut chewing tobacco and cigarettes prescribed by law shall be permitted to have packed in, or attached to, or connected with, them, any article or thing whatsoever, other than the manufacturers' wrappers and labels, the internal revenue stamp and the tobacco or cigarettes, respectively, put up therein, on which tax is required to be paid under the internal revenue laws; nor shall there be affixed to, or branded, stamped, marked, written, or printed upon, said packages, or their contents, any promise

or offer of, or any order or certificate for, any gift, prize, premium, payment, or reward."

SEC. 11. That no article of imported merchandise which shall copy or simulate the name or trade-mark of any domestic manufacture or manufacturer, or which shall bear a name or mark, which is calculated to induce the public to believe that the article is manufactured in the United States, shall be admitted to entry at any custom-house of the United States. And in order to aid the officers of the customs in enforcing this prohibition, any domestic manufacturer who has adopted trade-marks may require his name and residence and a description of his trade-marks to be recorded in books which shall be kept for that purpose in the Department of the Treasury, under such regulations as the Secretary of the Treasury shall prescribe, and may furnish to the Department facsimiles of such trade-marks; and thereupon the Secretary of the Treasury shall cause one or more copies of the same to be transmitted to each collector or other proper officer of the customs.

SEC. 12. That all materials of foreign production which may be necessary for the construction of vessels built in the United States for foreign account and ownership, or for the purpose of being employed in the foreign trade, including the trade between the Atlantic and Pacific ports of the United States, and all such materials necessary for the building of their machinery, and all articles necessary for their outfit and equipment, may be imported in bond under such regulations as the Secretary of the Treasury may prescribe; and upon proof that such materials have been used for such purposes no duties shall be paid thereon. But vessels receiving the benefit of this section shall not be allowed to engage in the coastwise trade of the United States more than two months in any one year except upon the payment to the United States of the duties of which a rebate is herein allowed: *Provided*, That vessels built in the United States for foreign account and ownership shall not be allowed to engage in the coastwise trade of the United States.

SEC. 13. That all articles of foreign production needed for the repair of American vessels engaged in foreign trade, including the trade between the Atlantic and Pacific ports of the United States, may be withdrawn from bonded warehouses free of duty, under such regulations as the Secretary of the Treasury may prescribe.

SEC. 14. That the sixteenth section of an Act entitled "An Act to remove certain burdens on the American merchant marine and encourage the American foreign carrying trade, and for other purposes," approved June twenty-sixth, eighteen hundred and eighty-four, be amended so as to read as follows:

"SEC. 16. That all articles of foreign or domestic production needed and actually withdrawn from bonded warehouses and bonded manufacturing warehouses for supplies (not including equipment) of vessels of the United States engaged in foreign trade, or in trade between the Atlantic and Pacific ports of the United States, may be so withdrawn from said bonded warehouses, free of duty or of internal-revenue tax, as the case may be, under such regulations as the Secretary of the Treasury may prescribe; but no such articles shall be landed at any port of the United States."

SEC. 15. That all articles manufactured in whole or in part of imported materials, or of materials subject to internal-revenue tax, and intended for exportation without being charged with duty, and without having an internal-revenue stamp affixed thereto, shall, under such regulations as the Secretary of the Treasury may prescribe, in order to be so manu-

factured and exported, be made and manufactured in bonded warehouses similar to those known and designated in Treasury Regulations as bonded warehouses, class six: *Provided*, That the manufacturer of such articles shall first give satisfactory bonds for the faithful observance of all the provisions of law and of such regulations as shall be prescribed by the Secretary of the Treasury: *Provided further*, That the manufacture of distilled spirits from grain, starch, molasses or sugar, including all dilutions or mixtures of them or either of them, shall not be permitted in such manufacturing warehouses.

Whenever goods manufactured in any bonded warehouse established under the provisions of the preceding paragraph shall be exported directly therefrom or shall be duly laden for transportation and immediate exportation under the supervision of the proper officer who shall be duly designated for that purpose, such goods shall be exempt from duty and from the requirements relating to revenue stamps.

Any materials used in the manufacture of such goods, and any packages, coverings, vessels, brands, and labels used in putting up the same may, under the regulations of the Secretary of the Treasury, be conveyed without the payment of revenue tax or duty into any bonded manufacturing warehouse, and imported goods may, under the aforesaid regulations, be transferred without the exaction of duty from any bonded warehouse into any bonded manufacturing warehouse; but this privilege shall not be held to apply to implements, machinery, or apparatus to be used in the construction or repair of any bonded manufacturing warehouse or for the prosecution of the business carried on therein.

No articles or materials received into such bonded manufacturing warehouse shall be withdrawn or removed therefrom except for direct shipment and exportation or for transportation and immediate exportation in bond under the supervision of the officer duly designated therefor by the collector of the port, who shall certify to such shipment and exportation, or ladening for transportation, as the case may be, describing the articles by their mark or otherwise, the quantity, the date of exportation, and the name of the vessel. All labor performed and services rendered under these provisions shall be under the supervision of a duly designated officer of the customs and at the expense of the manufacturer.

A careful account shall be kept by the collector of all merchandise delivered by him to any bonded manufacturing warehouse, and a sworn monthly return, verified by the customs officers in charge, shall be made by the manufacturers containing a detailed statement of all imported merchandise used by him in the manufacture of exported articles.

Before commencing business the proprietor of any manufacturing warehouse shall file with the Secretary of the Treasury a list of all the articles intended to be manufactured in such warehouse, and state the formula of manufacture and the names and quantities of the ingredients to be used therein.

Articles manufactured under these provisions may be withdrawn under such regulations as the Secretary of the Treasury may prescribe for transportation and delivery into any bonded warehouse at an exterior port for the sole purpose of immediate export therefrom.

The provisions of Revised Statutes thirty-four hundred and thirty-three shall, so far as may be practicable, apply to any bonded manufacturing warehouse established under this Act and to the merchandise conveyed therein.

SEC. 16. That all persons are prohibited from importing into the

United States from any foreign country any obscene book, pamphlet, paper, writing, advertisement, circular, print, picture, drawing, or other representation, figure, or image on or of paper or other material, or any cast, instrument, or other article of an immoral nature, or any drug or medicine, or any article whatever for the prevention of conception or for causing unlawful abortion, or any lottery ticket or any advertisement of any lottery. No such articles, whether imported separately or contained in packages with other goods entitled to entry, shall be admitted to entry; and all such articles shall be proceeded against, seized, and forfeited by due course of law. All such prohibited articles and the package in which they are contained in the course of importation shall be detained by the officer of customs, and proceedings taken against the same as hereinafter prescribed, unless it appears to the satisfaction of the collector of customs that the obscene articles contained in the package were inclosed therein without the knowledge or consent of the importer, owner, agent, or consignee: *Provided*, That the drugs hereinbefore mentioned, when imported in bulk and not put up for any of the purposes hereinbefore specified, are excepted from the operation of this section.

SEC. 17. That whoever, being an officer, agent, or employee of the Government of the United States, shall knowingly aid or abet any person engaged in any violation of any of the provisions of law prohibiting importing, advertising, dealing in, exhibiting, or sending or receiving by mail obscene or indecent publications or representations, or means for preventing conception or procuring abortion, or other articles of indecent or immoral use or tendency, shall be deemed guilty of a misdemeanor, and shall for every offense be punishable by a fine of not more than five thousand dollars, or by imprisonment at hard labor for not more than ten years, or both.

SEC. 18. That any judge of any district or circuit court of the United States, within the proper district, before whom complaint in writing of any violation of the two preceding sections is made, to the satisfaction of such judge, and founded on knowledge or belief, and if upon belief, setting forth the grounds of such belief, and supported by oath or affirmation of the complainant, may issue, conformably to the Constitution, a warrant directed to the marshal or any deputy marshal in the proper district, directing him to search for, seize, and take possession of any such article or thing mentioned in the two preceding sections, and to make due and immediate return thereof to the end that the same may be condemned and destroyed by proceedings, which shall be conducted in the same manner as other proceedings in the case of municipal seizure, and with the same right of appeal or writ of error.

SEC. 19. That machinery for repair may be imported into the United States without payment of duty, under bond, to be given in double the appraised value thereof, to be withdrawn and exported after said machinery shall have been repaired; and the Secretary of the Treasury is authorized and directed to prescribe such rules and regulations as may be necessary to protect the revenue against fraud and secure the identity and character of all such importations when again withdrawn and exported, restricting and limiting the export and withdrawal to the same port of entry where imported, and also limiting all bonds to a period of time of not more than six months from the date of the importation.

SEC. 20. That the produce of the forests of the State of Maine upon the Saint John River and its tributaries, owned by American citizens, and sawed or hewed in the Province of New Brunswick by American

citizens, the same being otherwise unmanufactured in whole or in part, which is now admitted into the ports of the United States free of duty, shall continue to be so admitted, under such regulations as the Secretary of the Treasury shall from time to time prescribe.

SEC. 21. That the produce of the forests of the State of Maine upon the Saint Croix River and its tributaries owned by American citizens, and sawed or hewed in the Province of New Brunswick by American citizens, the same being otherwise unmanufactured in whole or in part, shall be admitted into the ports of the United States free of duty, under such regulations as the Secretary of the Treasury shall from time to time prescribe.

SEC. 22. That a discriminating duty of ten per centum ad valorem, in addition to the duties imposed by law, shall be levied, collected, and paid on all goods, wares, or merchandise which shall be imported in vessels not of the United States, or which being the production or manufacture of any foreign country not contiguous to the United States, shall come into the United States from such contiguous country; but this discriminating duty shall not apply to goods, wares, or merchandise which shall be imported in vessels not of the United States, entitled at the time of such importation by treaty or convention to be entered in the ports of the United States on payment of the same duties as shall then be payable on goods, wares, and merchandise imported in vessels of the United States, nor to such foreign products or manufactures as shall be imported from such contiguous countries in the usual course of strictly retail trade.

SEC. 23. That no goods, wares, or merchandise, unless in cases provided for by treaty, shall be imported into the United States from any foreign port or place, except in vessels of the United States, or in such foreign vessels as truly and wholly belong to the citizens or subjects of that country of which the goods are the growth, production, or manufacture, or from which such goods, wares, or merchandise can only be, or most usually are, first shipped for transportation. All goods, wares, or merchandise imported contrary to this section, and the vessel wherein the same shall be imported, together with her cargo, tackle, apparel, and furniture, shall be forfeited to the United States; and such goods, wares, or merchandise, ship, or vessel, and cargo shall be liable to be seized, prosecuted, and condemned in like manner, and under the same regulations, restrictions, and provisions as have been heretofore established for the recovery, collection, distribution, and remission of forfeitures to the United States by the several revenue laws.

SEC. 24. That the preceding section shall not apply to vessels or goods, wares, or merchandise imported in vessels of a foreign nation which does not maintain a similar regulation against vessels of the United States.

SEC. 25. That the importation of neat cattle and the hides of neat cattle from any foreign country into the United States is prohibited: *Provided*, That the operation of this section shall be suspended as to any foreign country or countries, or any parts of such country or countries, whenever the Secretary of the Treasury shall officially determine, and give public notice thereof that such importation will not tend to the introduction or spread of contagious or infectious diseases among the cattle of the United States; and the Secretary of the Treasury is hereby authorized and empowered, and it shall be his duty, to make all necessary orders and regulations to carry this section into effect, or to suspend the same as herein provided, and to send copies thereof to

the proper officers in the United States, and to such officers or agents of the United States in foreign countries as he shall judge necessary.

SEC. 26. That any person convicted of a willful violation of any of the provisions of the preceding section shall be fined not exceeding five hundred dollars, or imprisoned not exceeding one year, or both, in the discretion of the court.

SEC. 27. That upon the reimportation of articles once exported, of the growth, product, or manufacture of the United States, upon which no internal tax has been assessed or paid, or upon which such tax has been paid and refunded by allowance or drawback, there shall be levied, collected, and paid a duty equal to the tax imposed by the internal-revenue laws upon such articles, except articles manufactured in bonded warehouses and exported pursuant to law, which shall be subject to the same rate of duty as if originally imported.

SEC. 28. That whenever any vessel laden with merchandise, in whole or in part subject to duty, has been sunk in any river, harbor, bay, or waters subject to the jurisdiction of the United States, and within its limits, for the period of two years, and is abandoned by the owner thereof, any person who may raise such vessel shall be permitted to bring any merchandise recovered therefrom into the port nearest to the place where such vessel was so raised free from the payment of any duty thereupon, but under such regulations as the Secretary of the Treasury may prescribe.

SEC. 29. That the works of manufacturers engaged in smelting or refining metals, or both smelting and refining, in the United States may be designated as bonded warehouses under such regulations as the Secretary of the Treasury may prescribe: *Provided*, That such manufacturers shall first give satisfactory bonds to the Secretary of the Treasury. Ores or metals in any crude form requiring smelting or refining to make them readily available in the arts, imported into the United States to be smelted or refined and intended to be exported in a refined but unmanufactured state, shall, under such rules as the Secretary of the Treasury may prescribe, and under the direction of the proper officer, be removed in original packages or in bulk from the vessel or other vehicle on which they have been imported, or from the bonded warehouse in which the same may be, into the bonded warehouse in which such smelting or refining, or both, may be carried on, for the purpose of being smelted or refined, or both, without payment of duties thereon, and may there be smelted or refined, together with other metals of home or foreign production: *Provided*, That each day a quantity of refined metal equal to ninety per centum of the amount of imported metal smelted or refined that day shall be set aside, and such metal so set aside shall not be taken from said works except for transportation to another bonded warehouse or for exportation, under the direction of the proper officer having charge thereof as aforesaid, whose certificate, describing the articles by their marks or otherwise, the quantity, the date of importation, and the name of vessel or other vehicle by which it was imported, with such additional particulars as may from time to time be required, shall be received by the collector of customs as sufficient evidence of the exportation of the metal, or it may be removed under such regulations as the Secretary of the Treasury may prescribe, upon entry and payment of duties, for domestic consumption, and the exportation of the ninety per centum of metals hereinbefore provided for shall entitle the ores and metals imported under the provisions of this section to admission without payment of the duties thereon: *Provided further*, That in respect to lead ores imported

under the provisions of this section the refined metal set aside shall either be reexported or the regular duties paid thereon within six months from the date of the receipt of the ore. All labor performed and services rendered under these regulations shall be under the supervision of an officer of the customs, to be appointed by the Secretary of the Treasury, and at the expense of the manufacturer.

SEC. 30. That where imported materials on which duties have been paid are used in the manufacture of articles manufactured or produced in the United States, there shall be allowed on the exportation of such articles a drawback equal in amount to the duties paid on the materials used, less one per centum of such duties: *Provided*, That when the articles exported are made in part from domestic materials the imported materials, or the parts of the articles made from such materials, shall so appear in the completed articles that the quantity or measure thereof may be ascertained: *And provided further*, That the drawback on any article allowed under existing law shall be continued at the rate herein provided. That the imported materials used in the manufacture or production of articles entitled to drawback of customs duties when exported shall, in all cases where drawback of duties paid on such materials is claimed, be identified, the quantity of such materials used and the amount of duties paid thereon shall be ascertained, the facts of the manufacture or production of such articles in the United States and their exportation therefrom shall be determined, and the drawback due thereon shall be paid to the manufacturer, producer, or exporter, to the agent of either or to the person to whom such manufacturer, producer, exporter, or agent shall in writing order such drawback paid, under such regulations as the Secretary of the Treasury shall prescribe.

SEC. 31. That all goods, wares, articles, and merchandise manufactured wholly or in part in any foreign country by convict labor shall not be entitled to entry at any of the ports of the United States, and the importation thereof is hereby prohibited, and the Secretary of the Treasury is authorized and directed to prescribe such regulations as may be necessary for the enforcement of this provision.

SEC. 32. That sections seven and eleven of the Act entitled "An Act to simplify the laws in relation to the collection of the revenues," approved June tenth, eighteen hundred and ninety, be, and the same are hereby, amended so as to read as follows:

SEC. 7. That the owner, consignee, or agent of any imported merchandise which has been actually purchased may, at the time when he shall make and verify his written entry of such merchandise, but not afterwards, make such addition in the entry to the cost or value given in the invoice or pro forma invoice or statement in form of an invoice, which he shall produce with his entry, as in his opinion may raise the same to the actual market value or wholesale price of such merchandise at the time of exportation to the United States, in the principal markets of the country from which the same has been imported; but no such addition shall be made upon entry to the invoice value of any imported merchandise obtained otherwise than by actual purchase; and the collector within whose district any merchandise may be imported or entered, whether the same has been actually purchased or procured otherwise than by purchase, shall cause the actual market value or wholesale price of such merchandise to be appraised; and if the appraised value of any article of imported merchandise subject to an ad valorem duty or to a duty based upon or regulated in any manner by the value thereof shall exceed the value declared in the entry, there shall be levied, collected, and paid, in addition to the duties imposed by

law on such merchandise, an additional duty of one per centum of the total appraised value thereof for each one per centum that such appraised value exceeds the value declared in the entry, but the additional duties shall only apply to the particular article or articles in each invoice that are so undervalued, and shall be limited to fifty per centum of the appraised value of such article or articles. Such additional duties shall not be construed to be penal, and shall not be remitted, nor payment thereof in any way avoided, except in cases arising from a manifest clerical error, nor shall they be refunded in case of exportation of the merchandise, or on any other account, nor shall they be subject to the benefit of drawback: *Provided*, That if the appraised value of any merchandise shall exceed the value declared in the entry by more than fifty per centum, except when arising from a manifest clerical error, such entry shall be held to be presumptively fraudulent, and the collector of customs shall seize such merchandise and proceed as in case of forfeiture for violation of the customs laws, and in any legal proceeding that may result from such seizure, the undervaluation as shown by the appraisal shall be presumptive evidence of fraud, and the burden of proof shall be on the claimant to rebut the same and forfeiture shall be adjudged unless he shall rebut such presumption of fraudulent intent by sufficient evidence. The forfeiture provided for in this section shall apply to the whole of the merchandise or the value thereof in the case or package containing the particular article or articles in each invoice which are undervalued: *Provided, further*, That all additional duties, penalties or forfeitures applicable to merchandise entered by a duly certified invoice, shall be alike applicable to merchandise entered by a pro forma invoice or statement in the form of an invoice, and no forfeiture or disability of any kind, incurred under the provisions of this section shall be remitted or mitigated by the Secretary of the Treasury. The duty shall not, however, be assessed in any case upon an amount less than the invoice or entered value.

SEC. 11. That, when the actual market value as defined by law, of any article of imported merchandise, wholly or partly manufactured and subject to an ad valorem duty, or to a duty based in whole or in part on value, can not be otherwise ascertained to the satisfaction of the appraising officer, such officer shall use all available means in his power to ascertain the cost of production of such merchandise at the time of exportation to the United States, and at the place of manufacture; such cost of production to include the cost of materials and of fabrication, all general expenses covering each and every outlay of whatsoever nature incident to such production, together with the expense of preparing and putting up such merchandise ready for shipment, and an addition of not less than eight nor more than fifty per centum upon the total cost as thus ascertained; and in no case shall such merchandise be appraised upon original appraisal or reappraisement at less than the total cost of production as thus ascertained. It shall be lawful for appraising officers, in determining the dutiable value of such merchandise, to take into consideration the wholesale price at which such or similar merchandise is sold or offered for sale in the United States, due allowance being made for estimated duties thereon, the cost of transportation, insurance, and other necessary expenses from the place of shipment to the United States, and a reasonable commission, if any has been paid, not exceeding six per centum.

SEC. 33. That on and after the day when this Act shall go into effect all goods, wares, and merchandise previously imported, for which no

entry has been made, and all goods, wares, and merchandise previously entered without payment of duty and under bond for warehousing, transportation, or any other purpose, for which no permit of delivery to the importer or his agent has been issued, shall be subjected to the duties imposed by this Act and to no other duty, upon the entry or the withdrawal thereof: *Provided*, That when duties are based upon the weight of merchandise deposited in any public or private bonded warehouse, said duties shall be levied and collected upon the weight of such merchandise at the time of its entry.

SEC. 34. That sections one to twenty-four, both inclusive, of an Act entitled "An Act to reduce taxation, to provide revenue for the Government, and for other purposes," which became a law on the twenty-eighth day of August, eighteen hundred and ninety-four, and all acts and parts of acts inconsistent with the provisions of this Act are hereby repealed, said repeal to take effect on and after the passage of this Act, but the repeal of existing laws or modifications thereof embraced in this Act shall not affect any act done, or any right accruing or accrued, or any suit or proceeding had or commenced in any civil cause before the said repeal or modifications; but all rights and liabilities under said laws shall continue and may be enforced in the same manner as if said repeal or modifications had not been made. Any offenses committed and all penalties or forfeitures or liabilities incurred prior to the passage of this Act under any statute embraced in or changed, modified, or repealed by this Act may be prosecuted or punished in the same manner and with the same effect as if this Act had not been passed. All Acts of limitation, whether applicable to civil causes and proceedings or to the prosecution of offenses or for the recovery of penalties or forfeitures embraced in or modified, changed, or repealed by this Act shall not be affected thereby; and all suits, proceedings, or prosecutions, whether civil or criminal, for causes arising or acts done or committed prior to the passage of this Act may be commenced and prosecuted within the same time and with the same effect as if this Act had not been passed: *And provided further*, That nothing in this Act shall be construed to repeal the provisions of section three thousand and fifty-eight of the Revised Statutes as amended by the Act approved February twenty-third, eighteen hundred and eighty seven, in respect to the abandonment of merchandise to underwriters or the salvors of property, and the ascertainment of duties thereon: *And provided further*, That nothing in this Act shall be construed to repeal or in any manner affect the sections numbered seventy-three, seventy-four, seventy-five, seventy-six, and seventy-seven of an Act entitled "An Act to reduce taxation, to provide revenue for the Government, and for other purposes," which became a law on the twenty-eighth day of August, eighteen hundred and ninety-four.

CUSTOMS ADMINISTRATIVE ACT OF JUNE 10, 1890, AS AMENDED BY ACT OF JULY 24, 1897.

AN ACT To simplify the laws in relation to the collection of the revenues.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That all merchandise imported into the United States shall, for the purpose of this act, be deemed and held to be the property of the person to whom the merchandise may be consigned; but the holder of any bill of lading consigned to order and indorsed by the consignor shall be deemed the consignee thereof; and in case of the abandonment of any merchandise to the underwriters the latter may be recognized as the consignee.

SEC. 2. That all invoices of imported merchandise shall be made out in the currency of the place or country from whence the importations shall be made or if purchased in the currency actually paid therefor, shall contain a correct description of such merchandise, and shall be made in triplicate or in quadruplicate in case of merchandise intended for immediate transportation without appraisement, and signed by the person owning or shipping the same, if the merchandise has been actually purchased, or by the manufacturer or owner thereof, if the same has been procured otherwise than by purchase, or by the duly authorized agent of such purchaser, manufacturer, or owner.

SEC. 3. That all such invoices shall, at or before the shipment of the merchandise, be produced to the consul, vice consul, or commercial agent of the United States of the consular district in which the merchandise was manufactured or purchased as the case may be, for export to the United States, and shall have indorsed thereon, when so produced, a declaration signed by the purchaser, manufacturer, owner, or agent, setting forth that the invoice is in all respects correct and true, and was made at the place from which the merchandise is to be exported to the United States; that it contains, if the merchandise was obtained by purchase, a true and full statement of the time when, the place where, the person from whom the same was purchased, and the actual cost thereof and of all charges thereon, as provided by this act; and that no discounts, bounties, or drawbacks are contained in the invoice but such as have been actually allowed thereon; and when obtained in any other manner than by purchase, the actual market value or wholesale price thereof at the time of exportation to the United States in the principal markets of the country from whence exported; that such actual market value is the price at which the merchandise described in the invoice is freely offered for sale to all purchasers in said markets, and that it is the price which the manufacturer or owner making the declaration would have received, and was willing to receive, for such merchandise sold in the ordinary course of trade, in the usual wholesale quantities, and that it includes all charges thereon as provided by this act; and the actual quantity thereof; and that no different invoice of the merchandise mentioned in the invoice so produced has been or will be furnished to any one. If the merchandise was actually purchased, the declaration shall also contain a statement that the currency in which such invoice is made out is that which was actually paid for the merchandise by the purchaser.

SEC. 4. That, except in case of personal effects accompanying the passenger, no importation of any merchandise exceeding one hundred dollars in dutiable value shall be admitted to entry without the production of a duly-certified invoice thereof as required by law, or of an affidavit made by the owner, importer, or consignee, before the collector or his deputy, showing why it is impracticable to produce such invoice; and no entry shall be made in the absence of a certified invoice, upon affidavit as aforesaid, unless such affidavit be accompanied by a statement in the form of an invoice, or otherwise, showing the actual cost of such merchandise, if purchased, or if obtained otherwise than by purchase, the actual market value or wholesale price thereof at the time of exportation to the United States, in the principal markets of the country from which the same has been imported; which statement shall be verified by the oath of the owner, importer, consignee, or agent desiring to make entry of the merchandise, to be administered by the collector or his deputy, and it shall be lawful for the collector or his deputy to examine the deponent under oath touching the sources of his knowledge, information, or belief in the premises, and to require him to produce any letter, paper, or statement of account, in his possession, or under his control, which may assist the officers of customs in ascertaining the actual value of the importation or any part thereof; and in default of such production when so requested, such owner, importer, consignee, or agent shall be thereafter debarred from producing any such letter, paper, or statement for the purpose of avoiding any additional duty, penalty, or forfeiture incurred under this act, unless he shall show to the satisfaction of the court or the officers of the customs, as the case may be, that it was not in his power to produce the same when so demanded; and no merchandise shall be admitted to entry under the provisions of this section unless the collector shall be satisfied that the failure to produce a duly certified invoice is due to causes beyond the control of the owner, consignee, or agent thereof: *Provided*, That the Secretary of the Treasury may make regulations by which books, magazines, and other periodicals published and imported in successive parts, numbers, or volumes, and entitled to be imported free of duty, shall require but one declaration for the entire series. And when entry of merchandise exceeding one hundred dollars in value is made by a statement in the form of an invoice the collector shall require a bond for the production of a duly certified invoice.

SEC. 5. That whenever merchandise imported into the United States is entered by invoice, one of the following declarations, according to the nature of the case, shall be filed with the collector of the port, at the time of entry by the owner, importer, consignee, or agent; which declaration so filed shall be duly signed by the owner, importer, consignee, or agent, before the collector, or before a notary public or other officer duly authorized by law to administer oaths and take acknowledgments, who may be designated by the Secretary of the Treasury to receive such declarations and to certify to the identity of the persons making them, under regulations to be prescribed by the Secretary of the Treasury; and every officer so designated shall file with the collector of the port a copy of his official signature and seal: *Provided*, That if any of the invoices or bills of lading of any merchandise imported in any one vessel, which should otherwise be embraced in said entry, have not been received at the date of the entry, the declaration may state the fact, and thereupon such merchandise of which the invoices or bills of lading are not produced shall not be included in such entry, but may be entered subsequently.

DECLARATION OF CONSIGNEE, IMPORTER, OR AGENT.

I ——— ———, do solemnly and truly declare that I am the consignee [importer or agent] of the merchandise described in the annexed entry and invoice; that the invoice and bill of lading now presented by me to the collector of ——— —— are the true and only invoice and bill of lading by me received of all the goods, wares, and merchandise imported in the ——— whereof ——— ——— is master, from ———, for account of any person whomsoever for whom I am authorized to enter the same; that the said invoice and bill of lading are in the state in which they were actually received by me, and that I do not know or believe in the existence of any other invoice or bill of lading of the said goods, wares, and merchandise; that the entry now delivered to the collector contains a just and true account of the said goods, wares, and merchandise, according to the said invoice and bill of lading; that nothing has been, on my part, nor to my knowledge on the part of any other person, concealed or suppressed, whereby the United States may be defrauded of any part of the duty lawfully due on the said goods, wares, and merchandise; that the said invoice and the declaration therein are in all respects true, and were made by the person by whom the same purports to have been made; and that if at any time hereafter I discover any error in the said invoice, or in the account now rendered of the said goods, wares, and merchandise, or receive any other invoice of the same, I will immediately make the same known to the collector of this district. And I do further solemnly and truly declare that to the best of my knowledge and belief [insert the name and residence of the owner or owners] is [or are] the owner (or owners) of the goods, wares, and merchandise mentioned in the annexed entry; that the invoice now produced by me exhibits the actual cost (if purchased) or the actual market value or wholesale price (if otherwise obtained) at the time of exportation to the United States in the principal markets of the country from whence imported of the said goods, wares, and merchandise, and includes and specifies the value of all cartons, cases, crates, boxes, sacks, and coverings of any kind, and all other costs, charges, and expenses incident to placing said goods, wares, and merchandise in condition, packed ready for shipment to the United States, and no other or different discount, bounty, or drawback but such as has been actually allowed on the same.

DECLARATION OF OWNER IN CASES WHERE MERCHANDISE HAS BEEN ACTUALLY PURCHASED.

I, ——— ——— do solemnly and truly declare that I am the owner of the merchandise described in the annexed entry and invoice; that the entry now delivered by me to the collector of ——— contains a just and true account of all the goods, wares, and merchandise imported by or consigned to me, in the ——— —— whereof ——— ——— is master, from ———; that the invoice and entry which I now produce contain a just and faithful account of the actual cost of the said goods, wares, and merchandise and include and specifies the value of all cartons, cases, crates, boxes, sacks, and coverings of any kind, and all other costs, charges, and expenses incident to placing said goods, wares, and merchandise in condition, packed ready for shipment to the United States, and no other discount, drawback, or bounty but such as has been actually allowed on the same; that I do not know nor believe in

the existence of any invoice or bill of lading other than those now produced by me, and that they are in the state in which I actually received them. And I further solemnly and truly declare that I have not in the said entry or invoice concealed or suppressed anything whereby the United States may be defrauded of any part of the duty lawfully due on the said goods, wares, and merchandise; that to the best of my knowledge and belief the said invoice and the declaration thereon are in all respects true, and were made by the person by whom the same purports to have been made; and that if at any time hereafter I discover any error in the said invoice or in the account now produced of the said goods, wares, and merchandise, or receive any other invoice of the same, I will immediately make the same known to the collector of this district.

DECLARATION OF MANUFACTURER OR OWNER IN CASES WHERE MERCHANDISE HAS NOT BEEN ACTUALLY PURCHASED.

I, ——— ———, do solemnly and truly declare that I am the owner (or manufacturer) of the merchandise described in the annexed entry and invoice; that the entry now delivered by me to the collector of ——— contains a just and true account of all the goods, wares, and merchandise imported by or consigned to me in the ———, whereof ——— ——— is master, from ———; that the said goods, wares, and merchandise were not actually bought by me, or by my agent, in the ordinary mode of bargain and sale, but that nevertheless the invoice which I now produce contains a just and faithful valuation of the same, at their actual market value or wholesale price, at the time of exportation to the United States, in the principal markets of the country from whence imported for my account (or for account of myself or partners); that such actual market value is the price at which the merchandise described in the invoice is freely offered for sale to all purchasers in said markets, and is the price which I would have received and was willing to receive for such merchandise sold in the ordinary course of trade in the usual wholesale quantities; that the said invoice contains also a just and faithful account of all the cost of finishing said goods, wares, and merchandise to their present condition, and includes and specifies, the value of all cartons, cases, crates, boxes, sacks, and coverings of any kind, and all other costs and charges incident to placing said goods, wares, and merchandise in condition packed ready for shipment to the United States, and no other discount, drawback, or bounty but such as has been actually allowed on the said goods, wares, and merchandise; that the said invoice and the declaration thereon are in all respects true, and were made by the person by whom the same purports to have been made; that I do not know nor believe in the existence of any invoice or bill of lading other than those now produced by me, and that they are in the state in which I actually received them. And I do further solemnly and truly declare that I have not in the said entry or invoice concealed or suppressed anything whereby the United States may be defrauded of any part of the duty lawfully due on the said goods, wares, and merchandise; and that if at any time hereafter I discover any error in the said invoice, or in the account now produced of the said goods, wares, and merchandise, or receive any other invoice of the same, I will immediately make the same known to the collector of this district.

SEC. 6. That any person who shall knowingly make any false statement in the declarations provided for in the preceding section, or shall aid or procure the making of any such false statement as to any matter

material thereto, shall, on conviction thereof, be punished by a fine not exceeding five thousand dollars, or by imprisonment at hard labor not more than two years, or both, in the discretion of the court: *Provided*, That nothing in this section shall be construed to relieve imported merchandise from forfeiture by reason of such false statement or for any cause elsewhere provided by law.

Amended by Sec. 33 of the act of July 24, 1897.

SEC. 7. That the owner, consignee, or agent of any imported merchandise which has been actually purchased may, at the time when he shall make and verify his written entry of such merchandise, but not afterwards, make such addition in the entry to the cost or value given in the invoice or pro forma invoice or statement in form of an invoice, which he shall produce with his entry, as in his opinion may raise the same to the actual market value or wholesale price of such merchandise at the time of exportation to the United States, in the principal markets of the country from which the same has been imported; but no such addition shall be made upon entry to the invoice value of any imported merchandise obtained otherwise than by actual purchase; and the collector within whose district any merchandise may be imported or entered, whether the same has been actually purchased or procured otherwise than by purchase, shall cause the actual market value or wholesale price of such merchandise to be appraised; and if the appraised value of any article of imported merchandise subject to an ad valorem duty or to a duty based upon or regulated in any manner by the value thereof shall exceed the value declared in the entry, there shall be levied, collected, and paid, in addition to the duties imposed by law on such merchandise, an additional duty of one per centum of the total appraised value thereof for each one per centum that such appraised value exceeds the value declared in the entry, but the additional duties shall only apply to the particular article or articles in each invoice that are so undervalued, and shall be limited to fifty per centum of the appraised value of such article or articles. Such additional duties shall not be construed to be penal, and shall not be remitted, nor payment thereof in any way avoided, except in cases arising from a manifest clerical error, nor shall they be refunded in case of exportation of the merchandise, or on any other account, nor shall they be subject to the benefit of drawback: *Provided*, That if the appraised value of any merchandise shall exceed the value declared in the entry by more than fifty per centum, except when arising from a manifest clerical error, such entry shall be held to be presumptively fraudulent, and the collector of customs shall seize such merchandise and proceed as in case of forfeiture for violation of the customs laws, and in any legal proceeding that may result from such seizure, the undervaluation as shown by the appraisal shall be presumptive evidence of fraud, and the burden of proof shall be on the claimant to rebut the same and forfeiture shall be adjudged unless he shall rebut such presumption of fraudulent intent by sufficient evidence. The forfeiture provided for in this section shall apply to the whole of the merchandise or the value thereof in the case or package containing the particular article or articles in each invoice which are undervalued: *Provided, further*, That all additional duties, penalties or forfeitures applicable to merchandise entered by a duly certified invoice, shall be alike applicable to merchandise entered by a pro forma invoice or statement in the form of an invoice, and no forfeiture or disability of any kind, incurred under the provisions of this section shall be remitted or mitigated by the Secretary of the Treasury. The duty shall not, however,

be assessed in any case upon an amount less than the invoice or entered value.

SEC. 8. That when merchandise entered for customs duty has been consigned for sale by or on account of the manufacturer thereof, to a person, agent, partner, or consignee in the United States, such person, agent, partner, or consignee shall, at the time of the entry of such merchandise, present to the collector of customs at the port where such entry is made, as a part of such entry, and in addition to the certified invoice or statement in the form of an invoice required by law, a statement signed by such manufacturer, declaring the cost of production of such merchandise, such cost to include all the elements of cost as stated in section eleven of this act. When merchandise entered for customs duty has been consigned for sale by or on account of a person other than the manufacturer of such merchandise, to a person, agent, partner, or consignee in the United States, such person, agent, partner, or consignee shall at the time of the entry of such merchandise present to the collector of customs at the port where such entry is made, as a part of such entry, a statement signed by the consignor thereof, declaring that the merchandise was actually purchased by him or for his account, and showing the time when, the place where, and from whom he purchased the merchandise, and in detail the price he paid for the same: *Provided*, That the statements required by this section shall be made in triplicate, and shall bear the attestation of the consular officer of the United States resident within the consular district wherein the merchandise was manufactured, if consigned by the manufacturer or for his account, or from whence it was imported when consigned by a person other than the manufacturer, one copy thereof to be delivered to the person making the statement, one copy to be transmitted with the triplicate invoice of the merchandise to the collector of the port in the United States to which the merchandise is consigned, and the remaining copy to be filed in the consulate.

SEC. 9. That if any owner, importer, consignee, agent, or other person shall make or attempt to make any entry of imported merchandise by means of any fraudulent or false invoice, affidavit, letter, paper, or by means of any false statement, written or verbal, or by means of any false or fraudulent practice or appliance whatsoever, or shall be guilty of any willful act or omission by means whereof the United States shall be deprived of the lawful duties, or any portion thereof, accruing upon the merchandise, or any portion thereof, embraced or referred to in such invoice, affidavit, letter, paper, or statement, or affected by such act or omission, such merchandise, or the value thereof, to be recovered from the person making the entry, shall be forfeited, which forfeiture shall only apply to the whole of the merchandise or the value thereof in the case or package containing the particular article or articles of merchandise to which such fraud or false paper or statement relates; and such person shall, upon conviction, be fined for each offense a sum not exceeding five thousand dollars, or be imprisoned for a time not exceeding two years, or both, in the discretion of the court.

SEC. 10. That it shall be the duty of the appraisers of the United States, and every of them, and every person who shall act as such appraiser, or of the collector, as the case may be, by all reasonable ways and means in his or their power to ascertain, estimate, and appraise (any invoice or affidavit thereto or statement of cost, or of cost of production to the contrary notwithstanding) the actual market value and wholesale price of the merchandise at the time of exportation to the United States, in the principal markets of the country whence the

same has been imported, and the number of yards, parcels, or quantities, and actual market value or wholesale price of every of them, as the case may require.

Amended by Sec. 32 of the act of July 24, 1897.

SEC. 11. That, when the actual market value as defined by law, of any article of imported merchandise, wholly or partly manufactured and subject to an ad valorem duty, or to a duty based in whole or in part on value, can not be otherwise ascertained to the satisfaction of the appraising officer, such officer shall use all available means in his power to ascertain the cost of production of such merchandise at the time of exportation to the United States, and at the place of manufacture; such cost of production to include the cost of materials and of fabrication, all general expenses covering each and every outlay of whatsoever nature incident to such production, together with the expense of preparing and putting up such merchandise ready for shipment, and an addition of not less than eight nor more than fifty per centum upon the total cost as thus ascertained; and in no case shall such merchandise be appraised upon original appraisal or reappraisement at less than the total cost of production as thus ascertained. It shall be lawful for appraising officers, in determining the dutiable value of such merchandise, to take into consideration the wholesale price at which such or similar merchandise is sold or offered for sale in the United States, due allowance being made for estimated duties thereon, the cost of transportation, insurance, and other necessary expenses from the place of shipment to the United States, and a reasonable commission, if any has been paid, not exceeding six per centum.

SEC. 12. That there shall be appointed by the President, by and with the advice and consent of the Senate, nine general appraisers of merchandise, each of whom shall receive a salary of seven thousand dollars a year. Not more than five of such general appraisers shall be appointed from the same political party. They shall not be engaged in any other business, avocation, or employment, and may be removed from office at any time by the President for inefficiency, neglect of duty, or malfeasance in office. They shall be employed at such ports and within such territorial limits, as the Secretary of the Treasury may from time to time prescribe, and are hereby authorized to exercise the powers, and duties devolved upon them by this act and to exercise, under the general direction of the Secretary of the Treasury, such other supervision over appraisements and classifications, for duty, of imported merchandise as may be needful to secure lawful and uniform appraisements and classifications at the several ports. Three of the general appraisers shall be on duty as a board of general appraisers daily (except Sunday and legal holidays) at the port of New York, during the business hours prescribed by the Secretary of the Treasury, at which port a place for samples shall be provided, under such rules and regulations as the Secretary of the Treasury may from time to time prescribe, which shall include rules as to the classes of articles to be deposited, the time of their retention, and as to their disposition, which place of samples shall be under the immediate control and direction of the board of general appraisers on duty at said port.

SEC. 13. That the appraiser shall revise and correct the reports of the assistant appraisers as he may judge proper, and the appraiser, or, at ports where there is no appraiser, the person acting as such, shall report to the collector his decision as to the value of the merchandise appraised. At ports where there is no appraiser, the certificate of the customs officer to whom is committed the estimating and collection of duties, of the dutiable value of any merchandise required to be appraised, shall be deemed and taken to be the ap-

praisement of such merchandise. If the collector shall deem the appraisement of any imported merchandise too low he may order a reappraisement, which shall be made by one of the general appraisers, or, if the importer, owner, agent, or consignee of such merchandise shall be dissatisfied with the appraisement thereof, and shall have complied with the requirements of law with respect to the entry and appraisement of merchandise, he may, within two days thereafter give notice to the collector, in writing, of such dissatisfaction, on the receipt of which the collector shall at once direct a reappraisement of such merchandise by one of the general appraisers. The decision of the appraiser or the person acting as such (in cases where no objection is made thereto, either by the collector or by the importer, owner, consignee, or agent), or of the general appraiser in cases of re-appraisement, shall be final and conclusive as to the dutiable value of such merchandise against all parties interested therein, unless the importer, owner, consignee, or agent of the merchandise shall be dissatisfied with such decision, and shall, within two days thereafter give notice to the collector in writing of such dissatisfaction, or unless the collector shall deem the appraisement of the merchandise too low, in either case the collector shall transmit the invoice and all the papers appertaining thereto to the board of three general appraisers, which shall be on duty at the port of New York, or to a board of three general appraisers who may be designated by the Secretary of the Treasury for such duty at that port or at any other port, which board shall examine and decide the case thus submitted, and their decision, or that of a majority of them, shall be final and conclusive as to the dutiable value of such merchandise against all parties interested therein, and the collector or the person acting as such shall ascertain, fix, and liquidate the rate and amount of duties to be paid on such merchandise, and the dutiable costs and charges thereon, according to law.

SEC. 14. That the decision of the collector as to the rate and amount of duties chargeable upon imported merchandise, including all dutiable costs and charges, and as to all fees and exactions of whatever character (except duties on tonnage), shall be final and conclusive against all persons interested therein, unless the owner, importer, consignee, or agent of such merchandise, or the person paying such fees, charges, and exactions other than duties, shall, within ten days after "but not before" such ascertainment and liquidation of duties, as well in cases of merchandise entered in bond as for consumption, or within ten days after the payment of such fees, charges, and exactions, if dissatisfied with such decision give notice in writing to the collector, setting forth therein distinctly and specifically, and in respect to each entry or payment, the reasons for his objections thereto, and if the merchandise is entered for consumption shall pay the full amount of the duties and charges ascertained to be due thereon. Upon such notice and payment the collector shall transmit the invoice and all the papers and exhibits connected therewith to the board of three general appraisers, which shall be on duty at the port of New York, or to a board of three general appraisers who may be designated by the Secretary of the Treasury for such duty at that port or at any other port, which board shall examine and decide the case thus submitted, and their decision, or that of a majority of them, shall be final and conclusive upon all persons interested therein, and the record shall be transmitted to the proper collector or person acting as such who shall liquidate the entry accordingly, except in cases where an application shall be filed in the circuit court within the time and in the manner provided for in section fifteen of this act.

SEC. 15. That if the owner, importer, consignee, or agent of any imported merchandise, or the collector, or the Secretary of the Treasury, shall be dissatisfied with the decision of the board of general appraisers, as provided for in section fourteen of this act, as to the construction of the law and the facts respecting the classification of such merchandise and the rate of duty imposed thereon under such classification, they or either of them, may, within thirty days next after such decision, and not afterwards, apply to the circuit court of the United States within the district in which the matter arises, for a review of the questions of law and fact involved in such decision. Such application shall be made by filing in the office of the clerk of said circuit court a concise statement of the errors of law and fact complained of, and a copy of such statement shall be served on the collector, or on the importer, owner, consignee, or agent, as the case may be. Thereupon the court shall order the board of appraisers to return to said circuit court the record and the evidence taken by them, together with a certified statement of the facts involved in the case, and their decisions thereon; and all the evidence taken by and before said appraisers shall be competent evidence before said circuit court; and within twenty days after the aforesaid return is made the court may, upon the application of the Secretary of the Treasury, the collector of the port, or the importer, owner, consignee, or agent, as the case may be, refer it to one of said general appraisers, as an officer of the court, to take and return to the court such further evidence as may be offered by the Secretary of the Treasury, collector, importer, owner, consignee, or agent, within sixty days thereafter, in such order and under such rules as the court may prescribe; and such further evidence with the aforesaid returns shall constitute the record upon which said circuit court shall give priority to and proceed to hear and determine the questions of law and fact involved in such decision, respecting the classification of such merchandise and the rate of duty imposed thereon under such classification, and the decision of such court shall be final, and the proper collector, or person acting as such, shall liquidate the entry accordingly, unless such court shall be of opinion that the question involved is of such importance as to require a review of such decision by the Supreme Court of the United States, in which case said circuit court, or the judge making the decision may, within thirty days thereafter, allow an appeal to said Supreme Court; but an appeal shall be allowed on the part of the United States whenever the Attorney-General shall apply for it within thirty days after the rendition of such decision. On such original application, and on any such appeal, security for damages and costs shall be given as in the case of other appeals in cases in which the United States is a party. Said Supreme Court shall have jurisdiction and power to review such decision, and shall give priority to such cases, and may affirm, modify, or reverse such decision of such circuit court, and remand the case with such orders as may seem to it proper in the premises, which shall be executed accordingly. All final judgments, when in favor of the importer, shall be satisfied and paid by the Secretary of the Treasury from the permanent indefinite appropriation provided for in section twenty-three of this act. For the purposes of this section the circuit courts of the United States shall be deemed always open, and said circuit courts, respectively, may establish, and from time to time alter, rules and regulations not inconsistent herewith for the procedure in such cases as they shall deem proper.

SEC. 16. That the general appraisers, or any of them, are hereby authorized to administer oaths, and said general appraisers, the boards

of general appraisers, the local appraisers or the collectors, as the case may be, may cite to appear before them, and examine upon oath any owner, importer, agent, consignee, or other person touching any matter or thing which they, or either of them, may deem material respecting any imported merchandise, in ascertaining the dutiable value or classification thereof; and they, or either of them, may require the production of any letters, accounts, or invoices relating to said merchandise, and may require such testimony to be reduced to writing, and when so taken it shall be filed in the office of the collector, and preserved for use or reference until the final decision of the collector or said board of appraisers shall be made respecting the valuation or classification of said merchandise, as the case may be.

SEC. 17. That if any person so cited to appear shall neglect or refuse to attend, or shall decline to answer, or shall refuse to answer in writing any interrogatories, and subscribe his name to his deposition, or to produce such papers, when so required by a general appraiser, or a board of general appraisers, or a local appraiser or a collector, he shall be liable to a penalty of one hundred dollars; and if such person be the owner, importer, or consignee, the appraisement which the general appraiser, or board of general appraisers, or local appraiser, or collector, where there is no appraiser, may make of the merchandise, shall be final and conclusive; and any person who shall willfully and corruptly swear falsely on an examination before any general appraiser, or board of general appraisers, or local appraiser, or collector, shall be deemed guilty of perjury; and if he is the owner, importer, or consignee, the merchandise shall be forfeited.

SEC. 18. That all decisions of the general appraisers and of the boards of general appraisers, respecting values and rates of duty, shall be preserved and filed, and shall be open to inspection under proper regulations to be prescribed by the Secretary of the Treasury. All decisions of the general appraisers shall be reported forthwith to the Secretary of the Treasury and to the board of general appraisers on duty at the port of New York, and the report to the board shall be accompanied, whenever practicable, by samples of the merchandise in question, and it shall be the duty of the said board, under the direction of the Secretary of the Treasury, to cause an abstract to be made and published of such decisions of the appraisers as they may deem important, and of the decisions of each of the general appraisers and boards of general appraisers, which abstract shall contain a general description of the merchandise in question, and of the value and rate of duty fixed in each case, with reference, whenever practicable, by number or other designation, to samples deposited in the place of samples at New York, and such abstract shall be issued from time to time, at least once in each week, for the information of customs officers and the public.

SEC. 19. That whenever imported merchandise is subject to an ad valorem rate of duty, or to a duty based upon or regulated in any manner by the value thereof, the duty shall be assessed upon the actual market value or wholesale price of such merchandise as bought and sold in usual wholesale quantities, at the time of exportation to the United States, in the principal markets of the country from whence imported, and in the condition in which such merchandise is there bought and sold for exportation to the United States, or consigned to the United States for sale, including the value of all cartons, cases, crates, boxes, sacks, and coverings of any kind, and all other costs, charges, and expenses incident to placing the merchandise in condition, packed ready for shipment to the United States, and if there be used

for covering or holding imported merchandise, whether dutiable or free, any unusual article or form designed for use otherwise than in the bona fide transportation of such merchandise to the United States, additional duty shall be levied and collected upon such material or article at the rate to which the same would be subject if separately imported. That the words "value" or "actual market value" whenever used in this act or in any law relating to the appraisement of imported merchandise shall be construed to mean the actual market value or wholesale price as defined in this section.

SEC. 20. Any merchandise deposited in any public or private bonded-warehouse may be withdrawn for consumption within three years from the date of original importation, on payment of the duties and charges to which it may be subject by law at the time of such withdrawal: *Provided*, That nothing herein shall affect or impair existing provisions of law in regard to the disposal of perishable or explosive articles.

SEC. 21. That in all suits or informations brought, where any seizure has been made pursuant to any act providing for or regulating the collection of duties on imports or tonnage, if the property is claimed by any person, the burden of proof shall lie upon such claimant: *Provided*, That probable cause is shown for such prosecution, to be judged of by the court.

SEC. 22. That all fees exacted and oaths administered by officers of the customs, except as provided in this act, under or by virtue of existing laws of the United States, upon the entry of imported goods and the passing thereof through the customs, and also upon all entries of domestic goods, wares, and merchandise for exportation, be, and the same are hereby, abolished; and in case of entry of merchandise for exportation, a declaration, in lieu of an oath, shall be filed, in such form and under such regulations as may be prescribed by the Secretary of the Treasury; and the penalties provided in the sixth section of this act for false statements in such declaration shall be applicable to declarations made under this section: *Provided*, That where such fees, under existing laws, constitute, in whole or in part, the compensation of any officer, such officer shall receive, from and after the passage of this act, a fixed sum for each year equal to the amount which he would have been entitled to receive as fees for such services during said year.

Amended by the act of May 17, 1898.

SEC. 23. That no allowance for damage to goods, wares, and merchandise imported into the United States shall hereafter be made in the estimation and liquidation of duties thereon; but the importer thereof may, within ten days after entry, abandon to the United States all or any portion of goods, wares, and merchandise included in any invoice, and be relieved from the payment of the duties on the portion so abandoned: *Provided*, That the portion so abandoned shall amount to ten per centum or over of the total value or quantity of the invoice; and the property so abandoned shall be sold by public auction or otherwise disposed of for the account and credit of the United States under such regulations as the Secretary of the Treasury may prescribe. All merchandise so abandoned by the importer thereof shall be delivered by such importer at such place within the port of arrival as the chief officer of customs may direct, and on the failure of the importer to comply with the directions of the collector in this respect the abandoned merchandise shall be disposed of by the collector at the expense of such importer.

SEC. 24. That whenever it shall be shown to the satisfaction of the Secretary of the Treasury that, in any case of unascertained or estimated duties, or payments made upon appeal, more money has been paid to or deposited with a collector of customs than, as has been ascertained by final liquidation thereof, the law required to be paid or depos-

ited, the Secretary of the Treasury shall direct the Treasurer to refund and pay the same out of any money in the Treasury not otherwise appropriated. The necessary moneys therefor are hereby appropriated, and this appropriation shall be deemed a permanent indefinite appropriation; and the Secretary of the Treasury is hereby authorized to correct manifest clerical errors in any entry or liquidation, for or against the United States, at any time within one year of the date of such entry, but not afterwards: *Provided*, That the Secretary of the Treasury shall in his annual report to Congress, give a detailed statement of the various sums of money refunded under the provisions of this act or of any other act of Congress relating to the revenue, together with copies of the rulings under which repayments were made.

SEC. 25. That from and after the taking effect of this act no collector or other officer of the customs shall be in any way liable to any owner, importer, consignee, or agent of any merchandise, or any other person, for or on account of any rulings or decisions as to the classification of said merchandise or the duties charged thereon, or the collection of any dues, charges, or duties on or on account of said merchandise, or any other matter or thing as to which said owner, importer, consignee, or agent of such merchandise might, under this act, be entitled to appeal from the decision of said collector or other officer, or from any board of appraisers provided for in this act.

SEC. 26. That any person who shall give, or offer to give or promise to give any money or thing of value, directly or indirectly, to any officer or employee of the United States in consideration of or for any act or omission contrary to law in connection with or pertaining to the importation, appraisement, entry, examination, or inspection of goods, wares, or merchandise including herein any baggage, or of the liquidation of the entry thereof, or shall by threats or demands, or promises of any character attempt to improperly influence or control any such officer or employee of the United States as to the performance of his official duties shall, on conviction thereof, be fined not exceeding two thousand dollars, or be imprisoned at hard labor not more than one year, or both, in the discretion of the court; and evidence of such giving, or offering, or promising to give, satisfactory to the court in which such trial is had, shall be regarded as prima facie evidence that such giving or offering or promising was contrary to law, and shall put upon the accused the burden of proving that such act was innocent, and not done with an unlawful intention.

SEC. 27. That any officer or employee of the United States who shall, excepting for lawful duties or fees, solicit, demand, exact or receive from any person, directly or indirectly, any money or thing of value, in connection with or pertaining to the importation, appraisement, entry, examination, or inspection of goods, wares, or merchandise, including herein any baggage, or liquidation of the entry thereof, on conviction thereof, shall be fined not exceeding five thousand dollars, or be imprisoned at hard labor not more than two years, or both, in the discretion of the court. And evidence of such soliciting, demanding, exacting, or receiving, satisfactory to the court in which such trial is had, shall be regarded as prima facie evidence that such soliciting, demanding, exacting, or receiving was contrary to law, and shall put upon the accused the burden of proving that such act was innocent and not with an unlawful intention.

SEC. 28. That any baggage or personal effects arriving in the United States in transit to any foreign country may be delivered by the parties having it in charge to the collector of the proper district, to be by him retained, without the payment or exaction of any import duty, or to be

forwarded by such collector to the collector of the port of departure and to be delivered to such parties on their departure for their foreign destination, under such rules and regulations as the Secretary of the Treasury may prescribe.

SEC. 29. That sections twenty-six hundred and eight, twenty-eight hundred and thirty-eight, twenty-eight hundred and thirty-nine, twenty-eight hundred and forty-one, twenty-eight hundred and forty-three, twenty-eight hundred and forty-five, twenty-eight hundred and fifty-three, twenty-eight hundred and fifty-four, twenty-eight hundred and fifty-six, twenty-eight hundred and fifty-eight, twenty-eight hundred and sixty, twenty-nine hundred, and twenty-nine hundred and two, twenty-nine hundred and five, twenty-nine hundred and seven, twenty-nine hundred and eight, twenty-nine hundred and nine, twenty-nine hundred and twenty-two, twenty-nine hundred and twenty-three, twenty-nine hundred and twenty-four, twenty-nine hundred and twenty-seven, twenty-nine hundred and twenty-nine, twenty-nine hundred and thirty, twenty-nine hundred and thirty-one, twenty-nine hundred and thirty-two, twenty-nine hundred and forty-three, twenty-nine hundred and forty-five, twenty-nine hundred and fifty-two, three thousand and eleven, three thousand and twelve, three thousand and twelve and one half, three thousand and thirteen, of the Revised Statutes of the United States, be, and the same are hereby, repealed, and sections nine, ten, eleven, twelve, fourteen, and sixteen of an act entitled "An act to amend the customs-revenue laws and to repeal moieties," approved June twenty-second, eighteen hundred and seventy-four, and sections seven, eight, and nine of the act entitled "An act to reduce internal-revenue taxation, and for other purposes," approved March third, eighteen hundred and eighty-three, and all other acts and parts of acts inconsistent with the provisions of this act, are hereby repealed, but the repeal of existing laws or modifications thereof embraced in this act shall not affect any act done, or any right accruing or accrued, or any suit or proceeding had or commenced in any civil cause before the said repeal or modifications; but all rights and liabilities under said laws shall continue and may be enforced in the same manner as if said repeal or modifications had not been made. Any offenses committed, and all penalties or forfeitures or liabilities incurred prior to the passage of this act under any statute embraced in or changed, modified, or repealed by this act may be prosecuted and punished in the same manner and with the same effect as if this act had not been passed. All acts of limitation, whether applicable to civil causes and proceedings or to the prosecution of offenses or for the recovery of penalties or forfeitures embraced in or modified, changed, or repealed by this act, shall not be affected thereby; and all suits, proceedings, or prosecutions, whether civil or criminal, for causes arising or acts done or committed prior to the passage of this act, may be commenced and prosecuted within the same time and with the same effect as if this act had not been passed. *And provided further*, That nothing in this act shall be construed to repeal the provisions of section three thousand and fifty-eight of the Revised Statutes as amended by the act approved February twenty-third, eighteen hundred and eighty-seven, in respect to the abandonment of merchandise to underwriters or the salvors of property, and the ascertainment of duties thereon.

SEC. 30. That this act shall take effect on the first day of August, eighteen hundred and ninety, except so much of section twelve as provides for the appointment of nine general appraisers, which shall take effect immediately.

ACT OF MAY 27, 1908, AMENDING THE CUSTOMS ADMINISTRATIVE ACT OF JUNE 10, 1890, AS AMENDED BY THE TARIFF ACT OF JULY 24, 1897.

AN ACT To amend an Act entitled "An Act to simplify the laws in relation to the collection of the revenues," approved June tenth, eighteen hundred and ninety, as amended by the Act entitled "An Act to provide revenues for the Government and to encourage the industries of the United States," approved July twenty-fourth, eighteen hundred and ninety-seven.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That section fourteen of the Act entitled "An Act to simplify the laws in relation to the collection of revenues," approved June tenth, eighteen hundred and ninety, as amended by the Act entitled "An Act to provide revenues for the Government and to encourage the industries of the United States," approved July twenty-fourth, eighteen hundred and ninety-seven, be, and the same is hereby, amended so as to read as follows:

"SEC. 14. That the decision of the collector as to the rate and amount of duties chargeable upon imported merchandise, including all duiable costs and charges, and as to all fees and exactions of whatever character (except duties on tonnage), shall be final and conclusive against all persons interested therein, unless the owner, importer, consignee, or agent of such merchandise, or the person paying such fees, charges, and exactions other than duties, shall, within fifteen days after but not before such ascertainment and liquidation of duties, as well in cases of merchandise entered in bond as for consumption, or within fifteen days after the payment of such fees, charges, and exactions, if dissatisfied with such decision, give notice in writing to the collector, setting forth therein distinctly and specifically, and in respect to each entry or payment, the reasons for his objections thereto, and if the merchandise is entered for consumption shall pay the full amount of the duties and charges ascertained to be due thereon. Upon such notice and payment the collector shall transmit the invoice and all the papers and exhibits connected therewith to the board of three general appraisers, which shall be on duty at the port of New York, or to a board of three general appraisers who may be designated by the Secretary of the Treasury for such duty at that port or at any other port, which board shall examine and decide the case thus submitted, and their decision, or that of a majority of them, shall be final and conclusive upon all persons interested therein, and the record shall be transmitted to the proper collector or person acting as such, who shall liquidate the entry accordingly, except in cases where an application shall be filed in the circuit court within the time and in the manner provided for in section fifteen of this Act: *Provided, however*, That the board of three general appraisers, or a majority of them, who decided the case may, upon motion of either party, within thirty days next after their decision, and not afterwards, grant a rehearing of said case when, in their opinion, the ends of justice may require it.

"The general board of nine general appraisers shall have power to establish from time to time such reasonable rules of practice, not inconsistent with the law, as may be deemed necessary for the conduct of their proceedings and of the proceedings of the said board of three general appraisers, and to assign or reassign any case to any of such boards of three at any time before promulgation of decision, in order to secure uniformity of decision."

SEC. 2. That section fifteen of said Act be, and the same is hereby, amended so as to read as follows:

"SEC. 15. That if the owner, importer, consignee, or agent of any imported merchandise, or the collector, or the Secretary of the Treasury, shall be dissatisfied with the decision of the board of general appraisers, as provided for in section fourteen of this Act, as to the construction of the law and the facts respecting the classification of such merchandise and the rate of duty imposed thereon under such classification, they, or either of them, may, within thirty days next after such decision, if a rehearing has not been previously granted, or within thirty days next after the decision of the board of general appraisers after such rehearing, and not afterwards, apply to the circuit court of the United States within the district in which the matter arises for a review of the questions of law and fact involved in such decision. Such application shall be made by filing in the office of the clerk of said circuit court a concise statement of the errors of law and fact complained of, and a copy of such statement shall be served on the collector, or on the importer, owner, consignee, or agent as the case may be. Thereupon the court shall order the board of general appraisers to return to said circuit court the record and the evidence taken by them, together with the certified statement of the facts involved in the case, and their decision thereon; and all competent evidence taken by and before said board of general appraisers shall be evidence before said circuit court. The parties litigant shall hereafter be required to introduce all of their evidence before the said board of general appraisers prior to its decision of the case. The return made by the board of general appraisers in pursuance of the order of the circuit court shall constitute the record upon which said circuit court shall give priority to and proceed to hear and determine the questions of law and fact involved in such decision respecting the classification of such merchandise and the rate of duty imposed thereon under such classification: *Provided*, That the said circuit court is further vested with the power to remand any case pending before it on appeal from a decision of the board of general appraisers when, in its opinion, such proceeding is just and proper, but this shall not be ordered except upon motion duly made and after notice to the opposite party. When such order is made the case shall then be remanded to the board of general appraisers whose decision has been appealed from, and the said board shall hear such further testimony as shall be introduced by either party, and shall return to the circuit court the additional evidence so taken, together with a further certified statement of facts as supplemented or modified by such additional testimony, and their decisions upon the whole case as thus supplemented or modified, which said additional return shall be added to and become part of the record upon which the case shall be heard and determined by the circuit court.

"The decision of such circuit court shall be final, and the proper collector, or person acting as such, shall liquidate the entry accordingly, unless such court shall be of the opinion that the question involved is of such importance as to require a review of such decision by the circuit court of appeals of the United States within the circuit in which the matter arises, in which case said circuit court or the judge making the decision may, within thirty days thereafter, allow an appeal to said circuit court of appeals; but an appeal shall be allowed on the part of the United States whenever the Attorney-Gen-

eral shall apply for it within thirty days after the rendition of such decision. On such original application and on any such appeal security for damages and costs shall be given as in the case of other appeals in cases in which the United States is a party. Said circuit court of appeals shall have jurisdiction and power to review such decision, and shall give priority to such cases, and may affirm, modify, or reverse such decision of such circuit court and remand the case with such orders as may seem to it proper in the premises, which shall be executed accordingly.

"The decision of such circuit court of appeals may be reviewed by the Supreme Court of the United States in any of the ways provided in cases arising under the revenue laws by the Act approved March third, eighteen hundred and ninety-one, entitled 'An Act to establish circuit courts of appeals, and to define and regulate in certain cases the jurisdiction of the courts of the United States, and for other purposes.'

"All final judgments, when in favor of the importer, shall be satisfied and paid by the Secretary of the Treasury from the permanent indefinite appropriation provided for in section twenty-four of this Act.

"For the purposes of this section the circuit courts of the United States shall be deemed always open, and said circuit courts, respectively, may establish, and from time to time alter, rules and regulations not inconsistent herewith for the procedure in such cases as they shall deem proper.

"Where cases arise at ports within any jurisdiction having no circuit court, applications for review of the decisions of the board of general appraisers provided for in section fifteen of this Act shall be filed with the clerks of the courts having cognizance of the same classes of cases as circuit courts, and such cases shall be heard and determined by such courts, with the same powers and in like manner as herein provided for the hearing and determination of such cases in circuit courts, and such decisions shall be subject to review in the manner provided by law."

SEC. 3. That said Act be, and the same is hereby, further amended by adding thereto, after said section thirty thereof, a new section to read as follows:

"SEC. 31. That all of the general appraisers of merchandise heretofore or hereafter appointed under the authority of said Act shall hold their office during good behavior, but may, after due hearing, be removed by the President for the following causes, and no other: Neglect of duty, malfeasance in office, or inefficiency.

"That hereafter the salary of each of the general appraisers of merchandise shall be at the rate of nine thousand dollars per annum.

"That the said boards of general appraisers and the members thereof shall have and possess all the powers of a circuit court of the United States in preserving order, compelling the attendance of witnesses, and the production of evidence, and in punishing for contempt."

SEC. 4. That all laws and parts of laws inconsistent with this Act are hereby repealed.

SEC. 5. That this Act shall take effect and be in force from and after its passage.

Approved, May 27, 1908.

SEC. 4. That on all original and unbroken factory packages of smoking and manufactured tobacco and snuff held by manufacturers or dealers on July first, nineteen hundred and two, upon which there has been paid a higher tax than that provided for in the preceding section of this Act, there shall be allowed a drawback or rebate equal to the full amount of the difference between such higher tax and the tax imposed by this Act, after making the proper allowance for discounts and rebates heretofore authorized, but the same shall not apply in any case where the claim has not been presented within sixty days after July first, nineteen hundred and two; and no claim shall be allowed or drawback paid for a less amount than ten dollars. It shall be the duty of the Commissioner of Internal Revenue, with the approval of the Secretary of the Treasury, to adopt such rules and regulations and to prescribe and furnish such blanks and forms as may be necessary to carry this section into effect.

And any person having possession of unaffixed stamps heretofore issued for the payment of the tax upon fermented liquors, tobacco, and snuff shall present the same to the collector of the district, who shall receive them at the price paid for such stamps by the purchasers and issue in lieu thereof new or imprinted stamps at the rate provided by this Act."

SEC. 7. That section four of said Act of March second, nineteen hundred and one, and sections six, twelve, eighteen, twenty, twenty-one, twenty-two, twenty-three, twenty-four, twenty-five, Schedule A, Schedule B, sections twenty-seven, twenty-eight, and twenty-nine of the Act of June thirteenth, eighteen hundred and ninety-eight, and all amendments of said sections and schedules be, and the same are hereby, repealed.

SEC. 8. That all taxes or duties imposed by section twenty-nine of the Act of June thirteenth, eighteen hundred and ninety-eight, and amendments thereof, prior to the taking effect of this Act, shall be subject, as to lien, charge, collection, and otherwise, to the provisions of section thirty of said Act of June thirteenth, eighteen hundred and ninety-eight, and amendments thereof, which are hereby continued in force, as follows:

"SEC. 30. That the tax or duty aforesaid shall be due and payable in one year after the death of the testator and shall be a lien and charge upon the property of every person who may die as aforesaid for twenty years, or until the same shall, within that period, be fully paid to and discharged by the United States; and every executor, administrator, or trustee having in charge or trust any legacy or distributive share, as aforesaid, shall give notice thereof, in writing, to the collector or deputy collector of the district where the deceased grantor or bargainer last resided within thirty days after he shall have taken charge of such trust, and every executor, administrator, or trustee, before payment and distribution to the legatees, or any parties entitled to beneficial interest therein, shall pay to the collector or deputy collector of the district of which the deceased person was a resident, or in which the property was located in case of nonresidents, the amount of the duty or tax assessed upon such legacy or distributive share, and shall also make and render to the said collector or deputy collector a schedule, list, or statement, in duplicate, of the amount of such legacy or distributive share, together with the amount of duty which has accrued, or shall accrue, thereon, verified by his oath or affirmation, to be administered and certified thereon by some magistrate or officer having lawful power to administer such oaths, in such form and manner as may be prescribed by the Commissioner of Internal Revenue, which schedule, list, or statement shall contain the names of each and every person entitled to any beneficial interest therein, together with the clear value of such interest, the duplicate of which schedule, list, or statement shall be by him immediately delivered, and the tax thereon paid to such collector; and upon such payment and delivery of such schedule, list, or statement said collector or deputy collector shall grant to such person paying such duty or tax a receipt or receipts for the same in duplicate, which shall be prepared as hereinafter provided. Such receipt or receipts, duly signed and delivered by such collector or deputy collector, shall be sufficient evidence to entitle such executor, administrator, or trustee to be credited and allowed such payment by every tribunal which, by the laws of any State or Territory, is, or may be, empowered to decide upon and settle the accounts of executors and administrators. And in case such executor, administrator, or trustee shall refuse or neglect to pay the aforesaid duty or tax to the collector or deputy collector, as aforesaid, within the time hereinbefore provided, or shall neglect or refuse to deliver to said collector or deputy collector the duplicate of the schedule, list, or statement of such legacies, property, or personal estate, under oath, as aforesaid, or shall neglect or refuse to deliver the schedule, list, or statement of such legacies, property, or personal estate, under oath, as aforesaid, or shall deliver to said collector or deputy collector a false schedule or statement of such legacies, property, or personal estate, or give the names and relationship of the persons entitled to beneficial interests therein untruly, or shall not truly and correctly set

forth and state therein the clear value of such beneficial interest, or where no administration upon such property or personal estate shall have been granted or allowed under existing laws, the collector or deputy collector shall make out such lists and valuation as in other cases of neglect or refusal, and shall assess the duty thereon; and the collector shall commence appropriate proceedings before any court of the United States, in the name of the United States, against such person or persons as may have the actual or constructive custody or possession of such property or personal estate, or any part thereof, and shall subject such property or personal estate, or any portion of the same, to be sold upon the judgment or decree of such court, and from the proceeds of such sale the amount of such tax or duty, together with all costs and expenses of every description to be allowed by such court, shall be first paid, and the balance, if any, deposited according to the order of such court, to be paid under its direction to such person or persons as shall establish title to the same. The deed or deeds, or any proper conveyance of such property or personal estate, or any portion thereof, so sold under such judgment or decree, executed by the officer lawfully charged with carrying the same into effect, shall vest in the purchaser thereof all the title of the delinquent to the property or personal estate sold under and by virtue of such judgment or decree, and shall release every other portion of such property or personal estate from the lien or charge thereon created by this Act. And every person or persons who shall have in his possession, charge, or custody any record, file, or paper containing, or supposed to contain, any information concerning such property or personal estate, as aforesaid, passing from any person who may die, as aforesaid, shall exhibit the same at the request of the collector or deputy collector of the district, and to any law officer of the United States, in the performance of his duty under this Act, his deputy or agent, who may desire to examine the same. And if any such person, having in his possession, charge, or custody any such records, files, or papers, shall refuse or neglect to exhibit the same on request, as aforesaid, he shall forfeit and pay the sum of five hundred dollars: *Provided*, That in all legal controversies where such deed or title shall be the subject of judicial investigation, the recital in said deed shall be prima facie evidence of its truth, and that the requirements of the law had been complied with by the officers of the Government: *And provided further*, That in case of willful neglect, refusal, or false statement by such executor, administrator, or trustee, as aforesaid, he shall be liable to a penalty of not exceeding one thousand dollars, to be recovered with costs of suit. Any tax paid under the provisions of sections twenty-nine and thirty shall be deducted from the particular legacy or distributive share on account of which the same is charged."

SEC. 9. That section thirty-five of said Act of June thirteenth, eighteen hundred and ninety-eight, and the amendments thereof, be amended so as to read as follows:

"SEC. 35. That for the purposes of this Act, the words 'mixed flour' shall be taken and construed to mean the food product resulting from the grinding or mixing together of wheat, or wheat flour, as the principal constituent in quantity, with any other grain, or the product of any other grain, or other material, except such material, and not the product of any grain, as is commonly used for baking purposes: *Provided*, That when the product resulting from the grinding or mix-

ing together of wheat or wheat flour with any other grain, or the product of any other grain, of which wheat or wheat flour is not the principal constituent as specified in the foregoing definition, is intended for sale, or is sold, or offered for sale as wheat flour, such product shall be held to be mixed flour within the meaning of this Act."

SEC. 10. That section fifty of the Act of June thirteenth, eighteen hundred and ninety-eight, be repealed, to take effect January first, nineteen hundred and three.

SEC. 11. That this Act, except as otherwise specially provided for in the preceding section, shall take effect July first, nineteen hundred and two.

ACT OF MARCH 8, 1902, TEMPORARILY TO PROVIDE REVENUE FOR THE PHILIPPINE ISLANDS, AND FOR OTHER PURPOSES, WITH INDEX.

AN ACT Temporarily to provide revenue for the Philippine Islands, and for other purposes.

Be it enacted by the Senate and House of Representatives of the United States of America in Congress assembled, That the provisions of an Act entitled "An Act to revise and amend the tariff laws of the Philippine Archipelago," enacted by the United States Philippine Commission on the seventeenth day of September, nineteen hundred and one, shall be and remain in full force and effect, and there shall be levied, collected, and paid upon all articles coming into the Philippine Archipelago from the United States the rates of duty which are required by the said Act to be levied, collected, and paid upon like articles imported from foreign countries into said archipelago.

SEC. 2. That on and after the passage of this Act there shall be levied, collected, and paid upon all articles coming into the United States from the Philippine Archipelago the rates of duty which are required to be levied, collected, and paid upon like articles imported from foreign countries: *Provided*, That upon all articles the growth and product of the Philippine Archipelago coming into the United States from the Philippine Archipelago there shall be levied, collected, and paid only seventy-five per centum of the rates of duty aforesaid: *And provided further*, That the rates of duty which are required hereby to be levied, collected, and paid upon products of the Philippine Archipelago coming into the United States shall be less any duty or taxes levied, collected, and paid thereon upon the shipment thereof from the Philippine Archipelago, as provided by the Act of the United States Philippine Commission referred to in section one of this Act, under such rules and regulations as the Secretary of the Treasury may prescribe, but all articles, the growth and product of the Philippine Islands, admitted into the ports of the United States free of duty under the provisions of this Act and coming directly from said islands to the United States for use and consumption therein, shall be hereafter exempt from any export duties imposed in the Philippine Islands.

SEC. 3. That on and after the passage of this Act the same tonnage taxes shall be levied, collected, and paid upon all foreign vessels coming into the United States from the Philippine Archipelago which are required by law to be levied, collected, and paid upon vessels coming into the United States from foreign countries: *Provided, however*, That until July first, nineteen hundred and four, the provisions of law restricting to vessels of the United States the transportation of passengers and merchandise directly or indirectly from one port of the United States to another port of the United States shall not be applicable to foreign vessels engaging in trade between the Philippine Archipelago and the United States, or between ports in the Philippine Archipelago: *And provided further*, That the Philippine Commission shall be authorized and empowered to issue licenses to engage in lighterage or other exclusively harbor business to vessels or other craft actually engaged in such business at the date of the passage of this Act, and to vessels,

or other craft built in the Philippine Islands or in the United States and owned by citizens of the United States or by inhabitants of the Philippine Islands.

SEC. 4. That the duties and taxes collected in the Philippine Archipelago in pursuance of this Act, and all duties and taxes collected in the United States upon articles coming from the Philippine Archipelago and upon foreign vessels coming therefrom, shall not be covered into the general fund of the Treasury of the United States, but shall be held as a separate fund and paid into the treasury of the Philippine Islands, to be used and expended for the government and benefit of said islands.

SEC. 5. That when duties prescribed by this Act are based upon the weight of merchandise deposited in any public or private bonded warehouse, said duties shall be levied and collected upon the weight of such merchandise at the time of its entry.

SEC. 6. That all articles manufactured in bonded manufacturing warehouses in whole or in part of imported materials, or of materials subject to internal-revenue tax and intended for shipment from the United States to the Philippine Islands, shall, when so shipped, under such regulations as the Secretary of the Treasury may prescribe, be exempt from internal-revenue tax, and shall not be charged with duty except the duty levied under this Act upon imports into the Philippine Islands.

That all articles subject under the laws of the United States to internal-revenue tax, or on which the internal-revenue tax has been paid, and which may under existing laws and regulations be exported to a foreign country without the payment of such tax, or with benefit of drawback, as the case may be, may also be shipped to the Philippine Islands with like privilege, under such regulations and the filing of such bonds, bills of lading, and other security as the Commissioner of Internal Revenue may, with the approval of the Secretary of the Treasury, prescribe. And all taxes paid upon such articles shipped to the Philippine Islands since November fifteenth, nineteen hundred and one, under the decision of the Secretary of the Treasury of that date, shall be refunded to the parties who have paid the same, under such rules and regulations as the Secretary of the Treasury may prescribe, and a sum sufficient to make such payment is hereby appropriated, out of any money in the Treasury not otherwise appropriated.

That where materials on which duties have been paid are used in the manufacture of articles manufactured or produced in the United States, there shall be allowed on the shipment of said articles to the Philippine Archipelago a drawback equal in amount to the duties paid on the materials used, less one per centum of such duties, under such rules and regulations as the Secretary of the Treasury may prescribe.

SEC. 7. That merchandise in bonded warehouse or otherwise in the custody and control of the officers of the customs, upon which duties have been paid, shall be entitled, on shipment to the Philippine Islands within three years from the date of the original arrival, to a return of the duties paid less one per centum, and merchandise upon which duties have not been paid may be shipped without the payment of duties to the Philippine Islands within said period, under such rules and regulations as may be prescribed by the Secretary of the Treasury.

SEC. 8. That the provisions of the Act entitled "An Act to simplify the laws in relation to the collection of revenues," approved June

tenth, eighteen hundred and ninety, as amended by an Act entitled "An Act to provide [revenue] for the Government and to encourage the industries of the United States," approved July twenty-fourth, eighteen hundred and ninety-seven, shall apply to all articles coming into the United States from the Philippine Archipelago.

SEC. 9. That no person in the Philippine Islands shall, under the authority of the United States, be convicted of treason by any tribunal, civil or military, unless on the testimony of two witnesses to the same overt act, or on confession in open court.
